

Our Services

We will tailor a package according to your needs to make everything as easy as possible for you.

1-No Waiting Lists

With Medical Tourism Italy you get the best Doctors and Treatments with no waiting lists. For complex regional pain syndrome patients, this is a fundamental value.

2-Airport Pick Up and Drop Off

You will be followed since the very landing all the way to your return flight. One of our Health Planners will be there to pick you up and drop you off at selected airports.

3-Neridronate Treatment

Pharmaceutical Treatment with Neridronate following Dr. Adami's Protocol. You will also be visited by a CRPS specialist before and after the treatment and monitored by a qualified registered nurse during your infusions.

4-Side Therapies (Rehab + Light Therapy)

Rehabilitation Therapy Sessions with CRPS specialists (Osteopath and Physiotherapist) who will then create a final report with rehabilitation physiotherapy step-by-step exercises for you to take home. Light Therapy will be provided at the hotel: it will help you by alleviating the pain and reducing the inflammation, improving the circulation.

5-Hospital assistance

Your personal Health Planner will stay by your side during all your medical appointments. The doctor will be able to prescribe medicine if needed, which we will help you get in pharmacy. If needed, we can provide a second opinion from other specialists during your treatment week.

6-Accommodation

We will book the hotel for you: you just need to relax and feel at home; full board is included. We have conventions with a large number of hotels, all close to the clinics and/or our headquarters. In case of any emergency, the reception staff is trained to call an ambulance and act as a translator between paramedics and the patient.

7-Interpreting

No language barriers: our professional Health Planners will have your back during your stay. Our team of mothertongue interpreters / Health Planners are all experts in assisting chronic pain patients.

8-Transportation

Driving will not be a burden, as our Health Planners know the streets so well and are all very qualified drivers. The same driver who picks you up from the airport will bring you from and to the hospital on every treatment day. If needed, he will also be available to drive you to local stores to buy necessities.

9-Documents Translation

We will translate the medical paperwork for you in order to provide a crystal-clear communication. You will also receive a report from the doctor who will follow you here in Italy, translated in your language.

10-Sightseeing

Italy is full of great wonders: discover its hidden gems and taste its delicacies with your Personal Health Planner!

11-24/7 emergency service

Assistance 24/7 during your trip in case of emergency. For example: assistance in case of loss of passport, luggage etc. Travel insurance provided. Support with general emergencies.

12-Six Months Follow-up

We will monitor your improvements and help you with the home rehabilitation program for the 6 months following your treatment.
